

Delivery Notifications

We have some exciting new features for you in our delivery process that will save you time and support planning on the job site! We're creating more visibility, transparency and tracking of your deliveries. **You now have the option to receive an email or text with delivery notification status.**

New Feature/function available:

- Unlimited photos of delivery placement
- Delivery Notifications via Email or Text
 - **4 types of notification options:**

Your order is loaded for delivery!

Your order is the next stop.

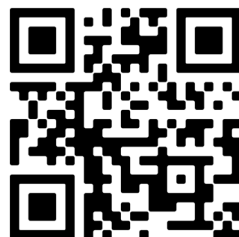

We are minutes away!

Your order has been delivered.

We know you have your own way of doing business and running your projects, and now you have multiple options for tracking or notifications of your deliveries – saving you time and money.

You can sign up for our new delivery notifications by filling out a form on our website ([CLICK HERE](#)) or contacting your local sales rep/branch location.
